<b>91 - Communication</b> .....	<b>1</b>
<b>1 Radio system</b> .....	<b>1</b>
1.1 General notes .....	1
1.2 Radio systems - overview .....	3
1.3 Connectors and pin assignment .....	9
1.4 Aerials in rear lid .....	21
1.5 Overview of fitting locations .....	23
1.6 Removing and installing "chorus" and "concert" radios .....	24
1.7 Removing and installing "symphony" radio .....	24
1.8 Activating/deactivating transport mode of "symphony II+" radio unit .....	25
1.9 Removing and installing CD changer R41 and checking wiring connection .....	26
1.10 Removing and installing iPod holder R192 .....	27
1.11 Removing and installing loudspeakers in doors .....	28
1.12 Removing and installing rear loudspeaker .....	29
1.13 Removing and installing loudspeakers in dash panel .....	30
1.14 Removing and installing amplifier R12 .....	32
1.15 Removing and installing amplifier R12 (BOSE) .....	33
1.16 Function test for internal microphone R74 .....	33
1.17 Removing and installing internal microphone R74 .....	34
1.18 Removing and installing left aerial module R108 .....	34
1.19 Removing and installing right aerial module R109 .....	35
<b>2 Radio system SDARS (USA)</b> .....	<b>36</b>
2.1 General notes .....	36
2.2 Radio systems - overview .....	38
2.3 Connectors and pin assignment .....	42
2.4 Aerials in rear lid .....	51
2.5 Overview of fitting locations .....	53
2.6 Removing and installing, enabling satellite radio R146 .....	54
2.7 Removing and installing satellite tuner aerial R172 .....	56
<b>3 Telephone system</b> .....	<b>57</b>
3.1 General notes .....	57
3.2 Telephone systems - overview .....	57
3.3 Connectors and pin assignment .....	61
3.4 Aerials in rear lid .....	65
3.5 Overview of fitting locations .....	67
3.6 Removing and installing telephone bracket R126 .....	68
3.7 Removing and installing telephone transmitter and receiver unit R36 .....	70
3.8 Removing and installing telephone transmitter and receiver unit R36 (fixed installation telephone) .....	71
3.9 Removing and installing aerial amplifier for mobile telephone R86 .....	72
3.10 Removing and installing telephone microphone R38 .....	73
3.11 Removing and installing telephone aerial R65 .....	73
<b>4 Telephone system (USA)</b> .....	<b>75</b>
4.1 General notes .....	75
4.2 Phone pre-installation - overview .....	75
4.3 Connectors and pin assignment .....	76
4.4 Aerials in rear lid .....	78
4.5 Overview of fitting locations .....	80
<b>5 Navigation system IV (BNS 4.0)</b> .....	<b>81</b>
5.1 General notes .....	81
5.2 Navigation system IV - overview .....	81
5.3 Connectors on navigation system with CD drive control unit J401 .....	82

5.4	Aerials in rear lid	83
5.5	Overview of fitting locations	85
5.6	Removing and installing navigation system with CD drive control unit J401	85
5.7	Removing and installing function selection switch 2 E272	86
5.8	Removing and installing navigation system aerial R50	87
<b>6</b>	<b>Navigation system II-D (Navigation system plus)</b>	<b>89</b>
6.1	General notes	89
6.2	On-screen fault messages	90
6.3	Navigation system II-D - overview	91
6.4	Connectors and pin assignment	94
6.5	Aerials in rear lid	99
6.6	Overview of fitting locations	101
6.7	Removing and installing operating electronics control unit for navigation J402	102
6.8	Removing and installing navigation interface R94	103
6.9	Removing and installing navigation/TV tuner J415	103
<b>7</b>	<b>Navigation system RNS-E</b>	<b>105</b>
7.1	General notes	105
7.2	On-screen fault messages	105
7.3	Navigation system RNS-E - overview	106
7.4	Connectors and pin assignment	109
7.5	Aerials in rear lid	111
7.6	Overview of fitting locations	113
7.7	Removing and installing operating electronics control unit for navigation J402	114
<b>8</b>	<b>Navigation system RNS-E USA</b>	<b>116</b>
8.1	General notes	116
8.2	On-screen fault messages	116
8.3	Navigation system RNS-E - overview	117
8.4	Connectors and pin assignment	120
8.5	Aerials in rear lid	122
8.6	Overview of fitting locations	123
<b>9</b>	<b>Navigation system RNS-JP3 Japan</b>	<b>125</b>
9.1	General notes	125
9.2	Navigation system RNS-JP3 - overview	125
9.3	Connectors and pin assignment	128
9.4	Aerials in rear lid	130
9.5	Overview of fitting locations	132
9.6	Removing and installing operating electronics control unit for navigation J402	133
9.7	Removing and installing aerial selection control unit J515	133
<b>10</b>	<b>Navigation system RNS-JP4 Japan</b>	<b>135</b>
10.1	General notes	135
10.2	RNS-JP4 - overview	135
10.3	Aerials in rear lid	137
10.4	Connectors and pin assignment	137
10.5	Overview of fitting locations	138
<b>11</b>	<b>Navigation system RNS-Low</b>	<b>140</b>
11.1	General notes	140
11.2	Navigation system RNS-Low - overview	140
11.3	Connectors and pin assignment	143
11.4	Aerials in rear lid	144
11.5	Overview of fitting locations	146
11.6	Removing and installing control unit with display for radio and navigation J503	147
<b>12</b>	<b>Telematics system</b>	<b>148</b>
12.1	General notes	148
12.2	Telematics system - overview	148
12.3	Connectors on telephone/telematics control unit J526	149

12.4	Aerials in rear lid .....	151
12.5	Overview of fitting locations .....	152
12.6	Activating/deactivating service mode .....	153
12.7	Removing and installing telephone and telematics control unit J526 /renewing unit .....	154
12.8	Renewing telematics SIM card .....	155
12.9	Initialising telephone/telematics control unit J526 .....	156
12.10	Removing and installing emergency battery for telematics A16 .....	157
12.11	Removing and installing emergency call button E276 and breakdown help button E275 .....	158
12.12	Removing and installing additional loudspeaker for telematics R91 .....	158
12.13	Removing and installing additional aerial for telematics R90 .....	159
12.14	Removing and installing connector for fax/laptop .....	159
<b>13</b>	<b>Voice control system .....</b>	<b>160</b>
13.1	General notes .....	160
13.2	Voice control system - overview .....	160
13.3	Connectors on speech input control unit J507 .....	162
13.4	Overview of fitting locations .....	162
13.5	Removing and installing speech input control unit J507 .....	164
<b>14</b>	<b>Multi-function steering wheel .....</b>	<b>165</b>
14.1	General notes .....	165
14.2	Multi-function steering wheel - overview .....	165
14.3	Removing and installing multi-function buttons .....	166
14.4	Removing and installing tiptronic buttons .....	168
<b>15</b>	<b>Steering column electronics control unit J527 .....</b>	<b>171</b>
15.1	General notes .....	171
15.2	Connectors on steering column electronics control unit J527 .....	171
<b>16</b>	<b>Electronic logbook .....</b>	<b>174</b>
16.1	General notes .....	174
16.2	Electronic log book - overview .....	174
16.3	Fault message .....	174
16.4	Removing and installing chip card reader unit R99 .....	175
