001 - Basic equipment	1-16
1. Basic equipment	1
2. Battery, ignition/starter switch	2
3. Fresh air blower, 2-way valve for fresh air/air recirculation flap	3
4. Dash panel insert, fuel gauge, coolant temperature gauge, oil pressure warning, lights switched	4
on warning buzzer, alternator warning lamp, ambient temperature indicator	_
5. Dash panel insert, turn signal warning lamp, odometer display	5 . 6
<ol><li>Dash panel insert, brake system warning lamp, handbrake warning lamp, main beam warning lamp analogue clock</li></ol>	, 0
7. Brake pad wear sender	7
8. Door contact switch, front and rear interior light	8
Cigarette lighter, connection for radio, self-diagnosis voltage supply, signal horn	9
10. Headlight, side light	10
11. Front turn signal, side turn signal bulbs	11
12. Headlight dipper and flasher switch, turn signal switch, hazard warning light switch, light	12
switch, parking light switch	
13. Horn plate, intermittent wiper switch, rear fog light switch	13
14. Rear turn signal, brake light, tail light, reversing light, brake light switch, rear fog light	14
15. Number plate light, heated rear window left, terminal D+ relief relay	15
16. Windscreen washer/wiper system, heated rear window right	16
002 - 2.3 litre/105 kW Motronic, engine codes AGL	17-24
1. 2.3 litre/105 kW Motronic, engine codes AGL	17-18
2. Alternator, starter	19
3. Motronic control unit, ignition system, lambda probe, self-diagnosis connection	20
4. Motronic control unit, injectors, throttle valve potentiometer, idling switch, throttle valve	21
positioner	
5. Motronic control unit, intake air temperature sender, coolant temperature sender, engine speed	22
sender, activated charcoal filter system, exhaust flap valve, fuel pump	00
6. Dash panel insert, fuel gauge, coolant temperature gauge, coolant shortage indicator, oil	23
pressure warning, speedometer sender 7. Dash panel insert, alternator warning lamp, rev. counter, speedometer sender	24
003 - 2.5 litre/75 kW direct injection turbo diesel, engine codes AHD	25-33
1. 2.5 litre/75 kW direct injection turbo diesel, engine codes AHD	25-26
2. Alternator, starter	27
Diesel direct injection system control unit, commencement of injection valve, charge pressure	28
control, exhaust gas recirculation, idling switch, accelerator pedal position sender	20
4. Diesel direct injection system control unit, engine speed sender, air mass meter, intake manifold	29
temperature sender, coolant temperature sender, self-diagnosis connection	
5. Diesel direct injection system control unit, pedal switch, fuel temperature sender, modulating	30
piston movement sender, metering adjuster	
6. Diesel direct injection system control unit, needle lift sender, fuel shut-off valve, glow plug	31
relay, glow plugs - engine, continued circulation of coolant regulation breather valve	
7. Dash panel insert, continued coolant circulation, oil pressure switch, speedometer sender,	32
coolant shortage indicator	
8. Dash panel insert, fuel gauge, coolant temperature gauge, oil pressure warning, alternator	33
warning lamp, glow period warning lamp, rev. counter, speedometer	
004 - Airbag system	34-37
1. Airbag system	34
2. Airbag control unit, airbag warning lamp, airbag/belt tensioner igniter - driver's side, airbag	35
coil connector	20.27
3. Airbag control unit, belt tensioner igniter - front passenger's side, horn relay	36-37 38-42
005 - Anti-lock brake system (ABS) with electronic differential lock (EDL)  1. Anti-lock brake system (ABS) with electronic differential lock (EDL)	38-39
2. ABS with EDL control unit, brake light switch	40
3. ABS with EDL control unit, brake light switch 3. ABS with EDL control unit, speed sensor, inlet valves, outlet valves, inlet valves, change-over	41
valves	71
4. ABS with EDL control unit, ABS warning lamp, EDL warning lamp	42
006 - Tachograph	43-45
1. Tachograph	43
2. Tachograph	44
3. Tachograph, tachograph sender	45
007 - Trailer	46-50
1. Trailer	46-47
2. Left tail light, brake light switch	48
3. Trailer socket, hazard warning light relay, trailer operation	49
4. Right tail light, reversing light switch	50

008 - Seat heating	51-54
1. Seat heating	51-52
2. Heated driver's seat	53
3. Heated front passenger's side	54
009 - Additional air heater B3LC/D3LC	55-60
1. Additional air heater B3LC/D3LC	55-56
2. Heater control unit, additional air heater fuse	57
3. Heater control unit, overheating switch, temperature sensor, fuel pump, flame monitor	58
4. Heater control unit, glow plug, combustion fresh and hot air blower	59
5. Pre-selection clock	60
010 - Central locking	61-64
Central locking     Driver cab central locking	61 62
· · · · · · · · · · · · · · · · · · ·	63
Load area/passenger compartment central locking     Load area/passenger compartment central locking	64
Load area/passenger compartment central locking     O11 - Central locking	65-67
1. Central locking	65
Driver cab central locking	66
Passenger compartment central locking	67
012 - 2.5 litre/55 kW Naturally aspirated diesel engine with direct injection, engine codes AGX	
1. 2.5 litre/55 kW Naturally aspirated diesel engine with direct injection, engine codes AGX	
2. Alternator, starter	70
Diesel direct injection system control unit, commencement of injection valve, exhaust gates.	
recirculation, idling switch, accelerator pedal position sender	as / I
	manifold 72
4. Diesel direct injection system control unit, engine speed sender, air mass meter, intake	maniloid 72
temperature sender, coolant temperature sender, self-diagnosis connection 5. Diesel direct injection system control unit, pedal switch, fuel temperature sender, modul	lating 73
piston movement sender, metering adjuster	lating 73
6. Diesel direct injection system control unit, needle lift sender, fuel shut-off valve, glow pl	ug 74
relay, glow plugs - engine, continued circulation of coolant regulation breather valve	ug 74
7. Dash panel insert, continued coolant circulation, oil pressure switch, speedometer send	ler, 75
coolant shortage indicator	iei, 75
8. Dash panel insert, fuel gauge, coolant temperature gauge, oil pressure warning, alterna	ator 76
warning lamp, glow period warning lamp, rev. counter, speedometer	10
013 - Electrically adjustable and heated exterior mirrors	77-80
1. Electrically adjustable and heated exterior mirrors	77-78
Electrically adjustable and heated exterior mirror, left	79
Electrically adjustable and heated exterior mirror, right	80
014 - Front window lifter	81-84
1. Front window lifter	81-82
2. Window lifter, left	83
3. Window lifter, right	84
015 - Second battery, trailer socket (12V)	85-87
1. Second battery, trailer socket (12V)	85-86
2. Second battery, battery cut-out relay, 12 V socket	87
016 - Fog lights	88-91
1. Fog lights	88-89
2. Front fog lights, headlights, side lights	90
3. Rear fog lights, fog light switch	91
017 - Radio system	92-95
1. Radio system	92-93
2. Radio, front loudspeakers	94
Radio, rear loudspeakers, electronic boosted roof aerial	95
018 - Headlight washer system	96-98
Headlight washer system	96-97
2. Headlight washer system	98
019 - Day driving light	99-107
1. Day driving light	99-100
2. Left headlight, left side light	101
3. Right headlight, right side light	102
4. Front turn signals, side turn signals	103
5. Headlight dipper/flasher switch, turn signal switch, hazard warning light switch, lighting	
parking light switch	,
6. Horn plate, intermittent wiper switch, rear fog light switch	105
7. Turn signal bulb rear, brake light, tail lights, reversing light, brake light switch, rear fog	106
liaht	

8. Headlight washer system, front and rear wash/wipe system 020 - Tilting/tipping mechanism	107 108-111
1. Tilting/tipping mechanism	108-109
2. Tilting mechanism button	110
3. Tilting/tipping mechanism, tilting/tipping mechanism fuse	111
021 - Immobilizer	112-114
1. Immobilizer	112-113
2. Immobilizer	114
022 - Tail lights, side marker lamps	115-119
1. Tail lights, side marker lamps	115-116
2. Left side marker lamps, brake light switch	117
3. Rear left side marker lamp, turn signal rear left, brake lights, tail light, rear fog ligh	nt, 118
number plate light	440
<ol> <li>Right side marker lamps, rear right turn signal, brake light, tail light, reversing ligh</li> <li>Differential lock</li> </ol>	t 119 120-122
1. Differential lock	120-122
2. Differential lock	120-121
024 - Roof turn signals	123-125
1. Roof turn signals	123-124
2. Roof turn signals	125
025 - Air conditioner	126-131
1. Air conditioner	126-127
2. Fresh air blower, fresh and recirculating air flap two-way valve	128
3. Air conditioner switch	129
4. Air conditioner pressure switch, fan thermo-switch	130
5. Radiator fan, magnetic coupling	131
026 - Additional air heater B1LC/D1LC	132-136
1. Additional air heater B1LC/D1LC	132-133
2. Heater control unit, additional air heater fuse, temperature sensor, flame monitor	134
3. Heater control unit, overheating switch, fuel pump, glow plug, combustion fresh a	nd hot air 135
blower	126
4. Pre-selection clock	136 137-146
027 - Day driving light, converted 1. Day driving light, converted	137-140
2. Left headlight, left side light	137-138
3. Relay for daytime driving light, day driving light fuses	140
4. Right headlight, right side light	141
5. Front turn signals, side turn signals	142
6. Headlight dipper/flasher switch, turn signal switch, hazard warning light switch, light	
parking light switch	,g,
7. Horn plate, intermittent wiper switch, rear fog light switch	144
8. Turn signal bulb rear, brake light, tail lights, reversing light, brake light switch, rea	r fog 145
light	
9. Headlight washer system, front and rear wash/wipe system	146
028 - Rotating light and siren	147-151
Rotating light and siren	147-148
Rotating light and horn repeat system switch, rotating light relay	149
3. Rotating light and siren control unit, rotating light	150
4. Rotating light and siren control unit, high and low tone-horn, rotating light warning	
029 - Air conditioner  1. Air conditioner	152-156 152-153
Air conditioner     Example 1. Air conditioner     Example 2. Fresh air blower, fresh and recirculating air flap two-way valve	152-153
3. Air conditioner switch	155
Magnetic coupling, air conditioner pressure switch, air conditioner shut-off thermo	
030 - Basic equipment	157-173
1. Basic equipment	157
2. Battery, ignition/starter switch	158
3. Fresh air blower, 2-way valve for fresh air/air recirculation flap	159
4. Dash panel insert, fuel gauge, coolant temperature gauge, oil pressure warning, l	
on warning buzzer, alternator warning lamp, ambient temperature indicator	-
5. Dash panel insert, turn signal warning lamp, odometer display	161
6. Dash panel insert, brake system warning lamp, handbrake warning lamp, main be	eam warning lamp, 162
analogue clock	
7. Brake pad wear sender	163
8. Door contact switch, front and rear interior light	164
9. Cigarette lighter, connection for radio, self-diagnosis voltage supply, signal horn	165

10. Headlight, side light 11. Front turn signal, side turn signal bulbs 12. Headlight dipper and flasher switch, turn signal switch, hazard warning light switch, light	166 167 168
switch, parking light switch	
13. Horn plate, intermittent wiper switch, rear fog light switch	169
14. Rear turn signal, brake light, tail light, reversing light, brake light switch, rear fog light	170
15. Number plate light, heated rear window left	171
16. Heated rear window right, terminal D+ relief relay	172
17. Windscreen washer/wiper system	173
031 - Central locking	174-177
Central locking     Priver seek central locking	174
Driver cab central locking     Lead area/passanger compartment central locking	175 176
Load area/passenger compartment central locking     Load area/passenger compartment central locking	177
032 - Central locking	178-180
1. Central locking	178
Driver cab central locking	179
Passenger compartment central locking	180
033 - Roof turn signals	181-183
1. Roof turn signals	181-182
2. Roof turn signals	183
034 - Rotating light and siren	184-188
Rotating light and siren	184-185
Rotating light and siren switch, rotating light relay	186
Rotating light and siren control unit, rotating light	187
4. Rotating light and siren control unit, high and low tone-horn, rotating light warning lamp	188
035 - Power take-off	189-191
Power take-off     Power take-off	189-190 191
036 - Day driving light	192-201
1. Day driving light	192-193
2. Left headlight, left side light, relay for daytime driving light (dipped beam, left)	194
3. Daytime driving light relay (side and tail lights), day driving light fuses	195
4. Right headlight, right side light	196
5. Front turn signals, side turn signals	197
6. Headlight dipper/flasher switch, turn signal switch, hazard warning light switch, lighting switch,	198
parking light switch	
7. Horn plate, intermittent wiper switch, rear fog light switch	199
8. Turn signal bulb rear, brake light, tail lights, reversing light, brake light switch, rear fog	200
light	
9. Headlight washer system, front and rear wash/wipe system	201
037 - Cruise control system (CCS)	202-205
Cruise control system (CCS)     Cruise control system switch	202-203
Cruise control system switch     Cruise control system (CCS) control motor	204 205
038 - 2.8 litre/92 kW direct injection turbo diesel, engine codes AGK	206-211
1. 2.8 litre/92 kW direct injection turbo diesel, engine codes AGK	206-207
2. Alternator, starter	208
3. Relay for glow plugs, glow plugs - engine, coolant temperature sender, fuel shut-off valve	209
4. Dash panel insert, oil pressure warning, speedometer sender, coolant shortage indicator, fuel	210
gauge, coolant temperature gauge	
5. Dash panel insert, alternator warning lamp, glow period warning lamp, rev. counter, speedomet	ter, 211
reserve fuel warning lamp	
039 - Basic equipment	212-227
1. Basic equipment	212
2. Battery, ignition/starter switch	213
3. Fresh air blower, 2-way valve for fresh air/air recirculation flap	214
4. Dash panel insert, odometer display	215
5. Dash panel insert, turn signal warning lamp, brake system warning lamp, handbrake warning lamp, analogue clock, lights switched on warning buzzer.	amp, 216
main beam warning lamp, analogue clock, lights switched on warning buzzer  6. Brake pad wear sender, brake fluid level warning contact	217
7. Door contact switch, front and rear interior light	218
8. Connection for radio, self-diagnosis voltage supply, signal horn, cigarette lighter	219
9. Headlight, side light	220
10. Front turn signal, side turn signal bulbs	221
11. Headlight dipper and flasher switch. turn signal switch. hazard warning light switch. light	222

switch, parking light switch	
12. Intermittent wiper switch, rear fog light switch	223
13. Rear turn signal, brake light, tail light, reversing light, brake light switch, rear fog light,	224
high level brake light	
14. Number plate light, heated rear window left	225 226
15. Heated rear window right, terminal D+ relief relay 16. Windscreen washer/wiper system	227
040 - 2.3 litre/105 kW Motronic, engine codes AGL	228-235
1. 2.3 litre/105 kW Motronic, engine codes AGL	228-229
2. Alternator, starter	230
3. Motronic control unit, ignition system, lambda probe, self-diagnosis connection	231
<ol><li>Motronic control unit, injectors, throttle valve potentiometer, idling switch, throttle valve positioner, immobilizer control unit</li></ol>	232
5. Motronic control unit, intake air temperature sender, coolant temperature sender, engine spee	d 233
sender, activated charcoal filter system, exhaust flap valve, fuel pump	200
6. Dash panel insert, coolant shortage indicator, oil pressure warning, speedometer sender,	234
alternator warning lamp	
7. Dash panel insert, rev. counter, speedometer, fuel gauge, coolant temperature gauge, ambien	t 235
temperature indicator, immobilizer warning lamp 041 - 2.5 litre/75 kW direct injection turbo diesel, engine codes AHD	236-246
1. 2.5 litre/75 kW direct injection turbo diesel, engine codes AHD	236-237
2. Alternator, starter	238
3. Diesel direct injection system control unit, , charge pressure control solenoid valve, terminal	239
30 voltage supply relay, commencement of injection valve, exhaust gas recirculation, idling switc	h,
accelerator pedal position sender 4. Diesel direct injection system control unit, engine speed sender, air mass meter, intake manifo	old 240
temperature sender, self-diagnosis connection, immobilizer control unit	7G 240
5. Diesel direct injection system control unit, metering adjuster, modulating piston movement sen	nder, 241
fuel temperature sender, coolant temperature sender, pedal switsch, brake light switch	
<ol><li>Diesel direct injection system control unit, cruise control system switch (CCS), needle lift sender</li></ol>	242
7. Diesel direct injection system control unit, fuel shut-off valve, glow plug relay, glow plugs -	243
engine, continued circulation of coolant regulation breather valve	-
8. Dash panel insert, continued coolant circulation, oil pressure switch, speedometer sender,	244
coolant shortage indicator, fuel gauge sender	245
<ol><li>Dash panel insert, fuel gauge, coolant temperature gauge, oil pressure warning, speedometer ambient temperature indicator</li></ol>	, 245
10. Dash panel insert, rev. counter, alternator warning lamp, glow period warning lamp	246
042 - 2.5 litre/55 kW Naturally aspirated diesel engine with direct injection, engine codes AGX	247-257
1. 2.5 litre/55 kW Naturally aspirated diesel engine with direct injection, engine codes AGX	247-248
2. Alternator, starter	249 250
<ol><li>Diesel direct injection system control unit, commencement of injection valve, exhaust gas recirculation, idling switch, accelerator pedal position sender</li></ol>	250
Diesel direct injection system control unit, engine speed sender, air mass meter, intake manifo	old 251
temperature sender, self-diagnosis connection, immobilizer control unit	
5. Diesel direct injection system control unit, metering adjuster, modulating piston movement sen	ider, 252
fuel temperature sender, coolant temperature sender, pedal switsch, brake light switch 6. Diesel direct injection system control unit, cruise control system switch (CCS), needle lift	253
sender	200
7. Diesel direct injection system control unit, fuel shut-off valve, glow plug relay, glow plugs -	254
engine, continued circulation of coolant regulation breather valve	
8. Dash panel insert, continued coolant circulation, oil pressure switch, speedometer sender,	255
coolant shortage indicator, fuel gauge sender  9. Dash panel insert, fuel gauge, coolant temperature gauge, oil pressure warning, speedometer,	, 256
ambient temperature indicator	, 250
10. Dash panel insert, rev. counter, alternator warning lamp, glow period warning lamp	257
043 - 2.8 litre/92 kW direct injection turbo diesel, engine codes AGK	258-263
<ol> <li>2.8 litre/92 kW direct injection turbo diesel, engine codes AGK</li> <li>Alternator, starter, fuel shut-off valve, immobilizer control unit, fuel shut-off valve control</li> </ol>	258-259 260
unit	200
Relay for glow plugs, glow plugs - engine, coolant temperature sender	261
4. Dash panel insert, speedometer sender, coolant shortage indicator, alternator warning lamp,	262
speedometer, oil pressure switch	060
5. Dash panel insert, glow period warning lamp, rev. counter, reserve fuel warning lamp, oil pressure warning, fuel gauge, coolant temperature gauge, ambient temperature indicator	263
044 - Cruise control system (CCS)	264-267

Cruise control system (CCS)	264-265
Cruise control system switch	266
3. Cruise control system (CCS) control motor	267
045 - Airbag system	268-272
1. Airbag system	268-269
<ol><li>Airbag control unit, airbag warning lamp, airbag/belt tensioner igniter - driver's side, airbag coil connector</li></ol>	270
3. Airbag control unit, airbag belt tensioner igniter - front passenger's side, horn relay, horn	271-272
046 - Anti-lock brake system (ABS) with electronic differential lock (EDL)	273-277
Anti-lock brake system (ABS) with electronic differential lock (EDL)	273-274
2. ABS with EDL control unit, brake light switch	275
3. ABS with EDL control unit, speed sensor, inlet valves, outlet valves, EDL inlet valves,	276
change-over valve	
4. ABS with EDL control unit, ABS warning lamp, EDL warning lamp	277
047 - Additional air heater B1LC/D1LC	278-281
1. Additional air heater B1LC/D1LC	278
2. Heater control unit, additional air heater fuse, temperature sensor, flame monitor	279
3. Heater control unit, overheating switch, fuel pump, glow plug, combustion fresh and hot air	280
blower	004
Pre-selection clock     Additional air heater B3LC/D3LC	281 282-287
1. Additional air heater B3LC/D3LC	282-283
Additional all relater BSEC/BSEC     Heater control unit, additional air heater fuse	284
3. Heater control unit, additional all rieater luse  3. Heater control unit, overheating switch, temperature sensor, fuel pump, flame monitor	285
4. Heater control unit, glow plug, combustion fresh and hot air blower, Hall sender	286
5. Pre-selection clock	287
049 - Air conditioner	288-293
1. Air conditioner	288-289
2. Fresh air blower, fresh and recirculating air flap two-way valve	290
3. Air conditioner switch	291
4. Air conditioner pressure switch, fan thermo-switch	292
5. Radiator fan, magnetic coupling	293
050 - Air conditioner	294-299
Air conditioner     Fresh air blower, fresh and recirculating air flap two-way valve	294-295 296
3. Air conditioner switch	290 297
4. Magnetic coupling, air conditioner pressure switch, air conditioner shut-off thermo-switch,	298-299
Continued coolant circulation pump	200 200
051 - Exterior mirror, electrically adjustable and heated	300-302
Exterior mirror, electrically adjustable and heated	300
2. Exterior mirror, electrically adjustable and heated, left	301
Electrically adjustable and heated exterior mirror, right	302
052 - Front window lifter	303-306
1. Front window lifter	303-304
2. Window lifter, left	305
3. Window lifter, right	306 307-310
053 - Fog lights 1. Fog lights	307-310
2. Front fog lights, headlights, side lights	309
3. Fog light switch, rear fog lights	310
054 - Radio system	311-314
1. Radio system	311-312
2. Radio, front loudspeakers	313
3. Radio, rear loudspeakers, electronic boosted roof aerial	314
055 - Headlight washer system	315-316
Headlight washer system	315
2. Headlight washer system	316
056 - Day driving light	317-326
Day driving light     Left headlight, left side light, relay for daytime driving light (dipped beam, left)	317-318 319
<ol> <li>Left headlight, left side light, relay for daytime driving light (dipped beam, left)</li> <li>Daytime driving light relay (side and tail lights), day driving light fuses</li> </ol>	319
4. Right headlight, right side light	320 321
5. Front turn signals, side turn signals	322
6. Headlight dipper/flasher switch, turn signal switch, hazard warning light switch, lighting switch,	323
parking light switch	
7. Intermittent wiper switch. windscreen washer pump switch. rear foo light switch	324

8. Turn signal bulb rear, brake light, tail lights, reversing light, brake light switch, rear fog	325
light 9. Headlight washer system, front and rear wash/wipe system	326
057 - Tilting/tipping mechanism	327-330
Tilting/tipping mechanism	327-328
2. Tilting mechanism button	329
Tilting/tipping mechanism, tilting/tipping mechanism fuse     Immobilizer for petrol engine	330 331-333
Immobilizer for petrol engine  1. Immobilizer for petrol engine	331-332
2. Immobilizer	333
059 - Tail lights, side marker lamps	334-338
1. Tail lights, side marker lamps	334-335
2. Left side marker lamps, brake light switch	336 337
<ol><li>Rear left side marker lamp, turn signal rear left, brake lights, tail light, rear fog light, number plate light, reversing light left</li></ol>	331
4. Right side marker lamps, rear right turn signal, brake light, tail light, reversing light right	338
060 - Differential lock	339-341
Differential lock	339-340
2. Differential lock	341
061 - Roof turn signals 1. Roof turn signals	342-344 342-343
2. Roof turn signals	344
062 - Tachograph	345-348
1. Tachograph	345-346
2. Tachograph	347
Tachograph, tachograph sender     Trailer	348 349-353
1. Trailer	349-350
Left tail light, brake light switch	351
3. Trailer socket, hazard warning light relay, trailer operation	352
4. Right tail light, reversing light switch	353
064 - Seat heating	354-357
Seat heating     Heated driver's seat	354-355 356
3. Heated triver's seat  3. Heated front passenger's side	357
065 - Rotating light and siren	358-360
Rotating light and siren	358
2. Rotating light and siren system switch, rotating light relay	359
<ol> <li>Rotating light and siren system control unit, rotating light, treble horn, bass horn</li> <li>Power take-off</li> </ol>	360 361-363
1. Power take-off	361-362
2. Power take-off	363
067 - Central locking	364-367
1. Central locking	364
Driver cab central locking     Lond group (see appartment central locking)	365 366
Load area/passenger compartment central locking     Load area/passenger compartment central locking	367
068 - Central locking	368-370
1. Central locking	368
Driver cab central locking	369
Reserve a limbs	370
069 - Rotating light  1. Rotating light	371-372 371
2. Rotating light	372
070 - Air conditioner	373-377
1. Air conditioner	373-374
Fresh air blower, fresh and recirculating air flap two-way valve	375
<ol> <li>Air conditioner switch</li> <li>Magnetic coupling, air conditioner pressure switch, air conditioner shut-off thermo-switch,</li> </ol>	376 377
Continued coolant circulation pump	311
071 - 2. Heat exchanger for passenger compartment (preparation)	378-381
1. 2. Heat exchanger for passenger compartment (preparation)	378-379
2. Warm air blower switch	380
3. Connection for 2nd heat exchanger	381
072 - Anti-lock brake system (ABS) with electronic differential lock (EDL)  1. Anti-lock brake system (ABS) with electronic differential lock (EDL)	382-386 382
And look braiks system (ABS) with disotrollic dilicional look (EDE)	JU2

	2. ABS with EDL control unit, brake light switch	383
	3. ABS with EDL control unit, speed sensor, front ABS valves	384
	4. ABS with EDL control unit, EDL valves, ABS return flow pump, self-diagnosis connection	385
07	5. ABS with EDL control unit, ABS warning lamp, EDL warning lamp, rear ABS valves	386
07	3 - Immobilizer for diesel engines  1. Immobilizer for diesel engines	387-390 387-388
	Immobilizer for dieser engines     Immobilizer control unit, immobilizer reading coil	389
	Immobilizer control unit, immobilizer reading con     Immobilizer control unit, immobilizer warning lamp	390
07	4 - Power take- off with adjustable working speed control	391-394
0.	Power take- off with adjustable working speed control	391-392
	2. Power take-off switch, power take-off valve, working speed control switch	393
	3. Diesel direct injection system control unit, power take-off warning switch, power take-off	394
	warning lamp, working speed control warning lamp, handbrake warning lamp	
07	5 - Second battery, trailer socket (12V)	395-397
	1. Second battery, trailer socket (12V)	395-396
	2. Second battery, battery cut-out relay, 12 V socket	397
07	6 - Voltage supply for electrical installations	398-400
	Voltage supply for electrical installations     Electrical installations switch	398-399 400
07	7 - 2nd heat exchanger for passenger compartment	401-404
07	1. 2nd heat exchanger for passenger compartment	401-402
	2. Warm air blower switch	403
	3. Warm air blower, warm air blower relay, two-way valve for coolant cut-off valve	404
07	8 - Power take- off with not-adjustable working speed control	405-408
	Power take- off with not-adjustable working speed control	405-406
	2. Power take-off switch, power take-off valve	407
	3. Diesel direct injection system control unit, power take-off warning switch, power take-off	408
	warning lamp, working speed control warning lamp, handbrake warning lamp	
07	9 - 2.3 litre/105 kW Motronic, engine codes AGL	409-416
	1. 2.3 litre/105 kW Motronic, engine codes AGL	409-410
	2. Alternator, starter	411 412
	<ol> <li>Motronic control unit, ignition system, lambda probe, self-diagnosis connection</li> <li>Motronic control unit, injectors, throttle valve potentiometer, idling switch, throttle valve</li> </ol>	413
	positioner, immobilizer control unit	410
	5. Motronic control unit, intake air temperature sender, coolant temperature sender, engine speed	414
	sender, activated charcoal filter system, exhaust flap valve, fuel pump	
	6. Dash panel insert, coolant shortage indicator, oil pressure warning, speedometer sender,	415
	alternator warning lamp	
	7. Dash panel insert, rev. counter, speedometer, fuel gauge, coolant temperature gauge, ambient	416
	temperature indicator, immobilizer warning lamp	
80	0 - 2.5 litre/75 kW direct injection turbo diesel, engine codes AHD	417-427
	1. 2.5 litre/75 kW direct injection turbo diesel, engine codes AHD	417-418
	2. Alternator, starter	419
	<ol><li>Diesel direct injection system control unit, charge pressure control solenoid valve, terminal 30 voltage supply relay, commencement of injection valve, exhaust gas recirculation, idling switch,</li></ol>	420
	accelerator pedal position sender	
	4. Diesel direct injection system control unit, engine speed sender, needle lift sender, intake	421
	manifold temperature sender, immobilizer control unit, self-diagnosis connection	121
	5. Diesel direct injection system control unit, metering adjuster, modulating piston movement sender,	422
	fuel temperature sender, coolant temperature sender, pedal switsch, brake light switch	
	6. Diesel direct injection system control unit, cruise control system switch (CCS), air mass meter	423
	7. Diesel direct injection system control unit, fuel shut-off valve, glow plug relay, glow plugs -	424
	engine, continued circulation of coolant regulation breather valve	
	8. Dash panel insert, continued coolant circulation, oil pressure switch, speedometer sender,	425
	coolant shortage indicator, fuel gauge sender	400
	9. Dash panel insert, fuel gauge, coolant temperature gauge, oil pressure warning, speedometer,	426
	ambient temperature indicator  10. Dash panel insert, rev. counter, alternator warning lamp, glow period warning lamp	427
08	1 - 2.5 litre/55 kW Naturally aspirated diesel engine with direct injection, engine codes AGX	428-438
00	1. 2.5 litre/55 kW Naturally aspirated diesel engine with direct injection, engine codes AGX	428-429
	2. Alternator, starter	430
	3. Diesel direct injection system control unit, terminal 30 voltage supply relay, commencement of	431
	injection valve, exhaust gas recirculation, idling switch, accelerator pedal position sender	
	4. Diesel direct injection system control unit, engine speed sender, needle lift sender, intake	432
	manifold temperature sender, immobilizer control unit, self-diagnosis connection	
	5. Diesel direct iniection system control unit. metering adjuster. modulating piston movement sender.	433

fuel temperature sender, coolant temperature sender, pedal switsch, brake light switch	
6. Diesel direct injection system control unit, cruise control system switch (CCS), air mass meter	434
7. Diesel direct injection system control unit, fuel shut-off valve, glow plug relay, glow plugs -	435
engine, continued circulation of coolant regulation breather valve	
8. Dash panel insert, continued coolant circulation, oil pressure switch, speedometer sender,	436
coolant shortage indicator, fuel gauge sender	407
<ol><li>Dash panel insert, fuel gauge, coolant temperature gauge, oil pressure warning, speedometer, ambient temperature indicator</li></ol>	437
10. Dash panel insert, rev. counter, alternator warning lamp, glow period warning lamp	438
082 - 2.5 litre/66 kW direct injection turbo diesel, engine codes APA	439-449
1. 2.5 litre/66 kW direct injection turbo diesel, engine codes APA	439-440
2. Alternator, starter	441
3. Diesel direct injection system control unit, charge pressure control solenoid valve, terminal 30	442
voltage supply relay, commencement of injection valve, exhaust gas recirculation, idling switch,	
accelerator pedal position sender  4. Diesel direct injection system control unit, engine speed sender, needle lift sender, intake	443
manifold temperature sender, immobilizer control unit, self-diagnosis connection	440
5. Diesel direct injection system control unit, metering adjuster, modulating piston movement sender,	444
fuel temperature sender, coolant temperature sender, pedal switsch, brake light switch	
6. Diesel direct injection system control unit, cruise control system switch (CCS), air mass meter	445
7. Diesel direct injection system control unit, fuel shut-off valve, continued circulation of	446
coolant regulation breather valve, intake manifold flap change-over valve, glow plugs - engine, relay for glow plugs	
8. Dash panel insert, continued coolant circulation, oil pressure switch, speedometer sender,	447
coolant shortage indicator, fuel gauge sender	447
9. Dash panel insert, fuel gauge, coolant temperature gauge, oil pressure warning, speedometer,	448
ambient temperature indicator	
10. Dash panel insert, rev. counter, alternator warning lamp, glow period warning lamp	449
083 - Radio system	450-453
Radio system     Radio, front loudspeakers	450-451 452
Radio, front loudspeakers     Radio, rear loudspeakers, electronically amplified roof aerial	453
084 - Airbag system	454-458
1. Airbag system	454-455
2. Airbag control unit, airbag warning lamp, airbag/belt tensioner igniter - driver's side, airbag	456
coil connector	4== 4=0
3. Airbag control unit, airbag belt tensioner igniter - front passenger's side, horn relay, horn	457-458
085 - Fog lights	459-462 459-460
1. Fog lights	459-460
Fog lights     Front fog lights, headlights, side lights	
1. Fog lights	459-460 461
<ol> <li>Fog lights</li> <li>Front fog lights, headlights, side lights</li> <li>Fog light switch, rear fog light, fog light warning lamp</li> <li>2.5 l/66 kW Direct injection turbo-diesel, engine code APA</li> <li>2.5 l/66 kW Direct injection turbo-diesel, engine code APA</li> </ol>	459-460 461 462 463-473 463-464
<ol> <li>Fog lights</li> <li>Front fog lights, headlights, side lights</li> <li>Fog light switch, rear fog light, fog light warning lamp</li> <li>2.5 l/66 kW Direct injection turbo-diesel, engine code APA</li> <li>2.5 l/66 kW Direct injection turbo-diesel, engine code APA</li> <li>Alternator, starter</li> </ol>	459-460 461 462 463-473 463-464 465

088 - 2.8 I/116 kW TDI (Common Rail), engine code AUH	478-488
1. 2.8 l/116 kW TDI (Common Rail), engine code AUH	478
2. Alternator, starter, battery	479
3. Diesel direct injection system control unit, terminal 30 voltage supply relay, intake manifold	480
pressure and temperature senders, fuses	
4. Diesel direct injection system control unit, engine speed sender, hall sender, air mass meter,	481
clutch pedal switch	
5. Diesel direct injection system control unit, immobilizer control unit, brake light switch,	482
diagnostic socket, cruise control system switch (CCS), charge pressure control	402
	483
6. Diesel direct injection system control unit, injectors, accelerator pedal position sender, idling	403
switch, fuel pressure regulating valve	40.4
7. Diesel direct injection system control unit, coolant temperature sender, engine glow plugs, glow	484
plug relay, thermal switch and pump for continued coolant circulation	
8. Diesel direct injection system control unit, intake manifold flap change-over valve, fuel	485
pressure sender	
9. Dash panel insert, oil pressure switch, speedometer sender, coolant shortage indicator, fuel	486
gauge sender, continued coolant circulation regulation breather valve	
10. Dash panel insert, fuel gauge, coolant temperature gauge, oil pressure warning, speedometer,	487
ambient temperature indicator	
11. Dash panel insert, rev. counter, warning lamps, handbrake warning switch, analogue clock	488
089 - Power take- off with not-adjustable working speed control	489-492
Power take- off with not-adjustable working speed control	489-490
Power take-off switch, power take-off valve	491
	491
3. Diesel direct injection system control unit, power take-off warning switch, power take-off	492
warning lamp, working speed control warning lamp, handbrake warning lamp	100 100
090 - Power take- off with adjustable working speed control	493-496
Power take- off with adjustable working speed control	493-494
<ol><li>Power take-off switch, power take-off valve, working speed control switch</li></ol>	495
3. Diesel direct injection system control unit, power take-off warning switch, power take-off	496
warning lamp, working speed control warning lamp, handbrake warning lamp	
091 - Tachograph	497-499
1. Tachograph	497
2. Tachograph, fuses	498
3. Tachograph, tachograph sender, rev. counter	499
092 - Tachograph	500-502
1. Tachograph	500
2. Tachograph, fuses	501
3. Tachograph, tachograph sender, rev. counter	502
093 - Power take- off with adjustable working speed control	503-505
Power take- off with adjustable working speed control	503
<ol><li>Power take-off switch, power take-off valve, working speed control switch</li></ol>	504
3. Diesel direct injection system control unit, power take-off warning switch, power take-off	505
warning lamp, working speed control warning lamp, handbrake warning lamp	
094 - Air conditioner	506-511
1. Air conditioner	506-507
2. Fresh air blower, fresh and recirculating air flap two-way valve	508
3. Air conditioner switch	509
4. Magnetic coupling, air conditioner pressure switch, air conditioner shut-off thermo-switch,	510-511
Continued coolant circulation pump	010 011
095 - Air conditioning system	512-515
	512-515
Air conditioning system	
2. Fresh air blower, fresh and recirculating air flap two-way valve	513
3. Air conditioner switch	514
4. Magnetic coupling, air conditioner pressure switch, air conditioner cut-out thermal switch,	515
continued coolant circulation pump	
096 - Basic equipment	516-531
1. Basic equipment	516
2. Battery, ignition/starter switch	517
3. Fresh air blower, 2-way valve for fresh air/air recirculation flap	518
4. Dash panel insert, odometer display	519
5. Dash panel insert, turn signal warning lamp, brake system warning lamp, handbrake warning lamp,	520
main beam warning lamp, analogue clock, lights switched on warning buzzer	020
	521
6. Brake pad wear sender, brake fluid level warning contact	
7. Door contact switch, front and rear interior light	522
8. Connection for radio, self-diagnosis voltage supply, signal horn, cigarette lighter	523
9. Headlight. side light	524

10. Front turn signal, side turn signal bulbs	525
11. Headlight dipper and flasher switch, turn signal switch, hazard warning light switch, light	526
switch, parking light switch	507
12. Intermittent wiper switch, rear fog light switch	527
13. Rear turn signal, brake light, tail light, reversing light, brake light switch, rear fog light,	528
high level brake light	529
14. Number plate light, heated rear window left	530
15. Heated rear window right, terminal D+ relief relay 16. Wiper motor relay, wiper motor, washer pump	531
097 - Tail lights, side marker lights	532-535
1. Tail lights, side marker lights	532
Brake light switch, left side marker lights	533
3. Rear left side marker light, rear left turn signal, brake lights, tail lights, rear fog lights,	534
registration plate light, left reversing light	
4. Right side marker lights, rear right turn signal, brake lights, tail lights, right reversing	535
light	
098 - Day driving lights	536-545
1. Day driving lights	536
2. Left headlight, left side light, day driving lights relay (left dipped beam)	537
<ol><li>Side marker lights isolation relay, left and right bulbs for side marker lights</li></ol>	538
4. Day driving lights relay (side and tail lights), terminal D+ relief relay, fuses for day driving	539
lights	
5. Right headlight, right side light, day driving lights relay	540
6. Front turn signals, side mounted turn signals, turn signal warning lamp	541
7. Headlight dip/flasher switch, turn signal switch, hazard warning light switch, light switch,	542
parking light switch	E 4 2
<ol> <li>Intermittent wiper switch, windscreen washer pump switch, rear fog light switch</li> <li>Rear turn signals, brake lights, tail lights, reversing light, brake light switch, rear fog light</li> </ol>	543 544
10. Headlight washer system, windscreen wash/wipe system	545
099 - Exterior mirror, electrically adjustable and heated	546-548
Exterior mirror, electrically adjustable and heated	546
Left exterior mirror, electrically adjustable and heated	547
3. Right exterior mirror, electrically adjustable and heated	548
100 - Radio system package	549-550
1. Radio system package	549
2. Two-way radio, two-way radio loudspeaker, aerial, two-way radio fuse	550
101 - Central locking	551-554
Central locking	551
Driver cab central locking	552
Load area/passenger compartment central locking	553
4. Central locking remote control, control unit, remote control fuse	554 555 550
102 - Central locking for plank bed vehicles	555-558 555
Central locking for plank bed vehicles     Driver cab central locking	556
Passenger compartment central locking	557
4. Central locking remote control, control unit, remote control fuse	558
103 - Central locking	559-563
1. Central locking	559
Driver cab central locking	560
3. Load area/passenger compartment central locking	561
4. Load area/passenger compartment central locking	562
5. Central locking remote control, control unit, remote control fuse	F00
104 - Second battery	563
·	563 564-565
1. Second battery	564-565 564
Second battery     Second battery, battery isolation relay	564-565 564 565
<ol> <li>Second battery</li> <li>Second battery, battery isolation relay</li> <li>Power take-off with non-adjustable working speed governor</li> </ol>	564-565 564 565 566-568

1. Central locking for plank bed vehicles	573
2. Driver cab central locking	574
3. Passenger compartment central locking	575
4. Central locking remote control, control unit, central locking remote control fuse	576
108 - Central locking	577-581
1. Central locking	577
2. Driver cab central locking	578
3. Central locking switch and actuator, sliding door, side door, central locking switch and actuator	579
(rear door)	
Voltage supply, rear left central locking switch and actuator	580
5. Central locking remote control, control unit, central locking remote control fuse	581
109 - Digital tachograph	582-585
1. Digital tachograph	582
2. Tachograph, tachograph sender, fuses	583
3. Tachograph, rev. counter, speedometer	584-585
201Fitting locations: Relay plate with fuse holder and auxiliary relay carrier	586-593
1Fitting locations: Relay plate with fuse holder and auxiliary relay carrier	586
2. Fuse assignment	587
3. Relay position assignment	588
Auxiliary relay carrier and fuse carrier	589
5. Auxiliary relay carrier and fuse carrier	590
6. Supplementary fuse holder	591
7. Supplementary fuse holder	592
8. Multi-pin connector assignment	593
